# Third Annual District Convention

**Respected Presiding Officer, District Governor Lion Surendra Prakash Balay, PMJF, Lion Dignitaries, Cabinet Officers, Fellow Lions, Leos, and Guests,**

It is my honor to welcome you all to the Third Annual Convention at Anupam Foodland, Battisputali, Kathmandu. I extend heartfelt gratitude to our District Governor, Lion Surendra Prakash Balay, PMJF, for placing his trust in me to shoulder the responsibilities of District Cabinet Secretary for this Lionistic Year 2024-2025.

Standing here today as your District Cabinet Secretary, it is my privilege to present this report and to witness the collective dedication of leaders who embody our shared motto: "We Serve." I would like to begin by expressing my sincere appreciation to the host clubs for their impeccable arrangements and warm hospitality. Your efforts have set the stage for a productive and memorable gathering.

As we move forward, I reflect on the remarkable journey we've undertaken this year under the visionary leadership of District Governor Lion Surendra Prakash Balay, PMJF. Guided by the theme "Believe in Yourself" and Lions International's global theme "Make Your Mark," our district has flourished through impactful service activities, leadership development programs, and extensive community engagement. Service has remained our foremost priority, with continuous programs that have strengthened our identity and made meaningful contributions to society.

This year, we introduced several key initiatives, including a comprehensive booklet and event calendar outlining the District Governor's plans, and a structured evaluation and reward system to encourage excellence. Notably, we successfully launched the first-ever website for District 325D, making information and updates more accessible. We have also documented the contributions to LCIF, the Blood Bank, and NLF, ensuring transparency and recognition for those who continue to support our initiatives.

I am immensely proud of the dedication and commitment shown by our cabinet officers, club leaders, and members. Together, we have achieved significant progress in service, leadership, and community engagement. As we move forward, let us continue to uphold the values of Lionism and work with the same passion and commitment to make a lasting difference.

I extend my heartfelt gratitude to the District Governor, Vice Governors, Past District Governors, senior Lions leaders, club officers, and all fellow Lions & Leos for their continued support. Your contributions have been invaluable in the success of our district's initiatives.

Let us carry this momentum forward, embracing the true spirit of "Believe in Yourself" and honoring our Lions International motto – "We Serve."

As we reach the celebrating stage of this Lionistic year, I reflect on the remarkable journey we have travelled together under the able leadership of District Governor Lion Surendra Prakash Balay, PMJF. Guided by the inspiring theme "Believe in Yourself" and in alignment with International President's theme, "Make Your Mark", our district has thrived through impactful service activities, leadership development programs, and extensive community engagement.

I am immensely indebted of the dedication and commitment demonstrated by our cabinet officers, club leaders and members in fulfilling our shared mission. In the Multiple District 325, our district has made significant number of quality and effective services and reporting, with 88% of the clubs successfully updating their activities in the **Lions portal**.

# Lions International

District 325 D, MD 325, Nepal

LY 2024-2025

Service has remained our foremost priority, with continuous programs running for over a month, allowing us to strengthen our identity through meaningful contributions to society.

## **Key Initiatives of District 325D in this Lionistic Year**

### **Governor's Plan and Programs Manual**

We introduced a **comprehensive booklet and event calendar** outlining the **District Governor's plans and scheduled events** for this year. This initiative has enhanced clarity in International President's and District Governor's Plan and Program, ensuring the smooth execution of planned activities.

### **Evaluation and Reward System**

To promote excellence and ensure transparency, we established a structured evaluation and reward system for cabinet officers and club leaders. The evaluation committee, led by the **First Vice District Governor as Coordinator** and comprising of the **Second Vice District Governor as Deputy Coordinator, Chief Area Coordinator, Chief District Administrator** as members and advised by **two Past District Governors**, has been formed to play a pivotal role in ensuring a fair and transparent process to choose the deserving and dedicated Lions.

### **LCIF, TU Lions Blood Transfusion and Research Center, and NLF Contributors' Records**

One of our most significant achievements this year is documentation and official publication of records of contributors to LCIF, the TU Lions Blood Transfusion and Research Center and NLF. While some data may still be incomplete, this initiative marks a major step toward ensuring transparency and recognizing contributors, which will further encourage future participation and support.

### **Cabinet Meeting Bulletins**

To enhance sharing of information and record-keeping, we introduced a Cabinet Meeting Bulletin, published every three months during cabinet meetings. **Volumes I, II, and III** have been successfully released, providing valuable insights into our district's activities and progress.

### **District Website**

This year, we launched the website for District 325D:

➡ <https://lionsinternational325d.com/>

# Lions International

District 325 D, MD 325, Nepal

LY 2024-2025

The website now serves as a central source for information about the district, events, plans, and programs, making it easier for officers and members to stay informed and engaged.

## Cabinet and Advisory Meetings – A Leadership Development Initiative

Following insights gained from the "**Training to Elect District Governor and Secretariat**" program held at Hotel Yellow Pagoda on May 26, 2024, we have implemented significant improvements in meeting efficiency. Cabinet meetings are now shorter and more structured, with fewer speakers and concise facilitation remarks, leading to greater productivity.

A key leadership development initiative this year has been the decision for the District Governor, Vice Governors, and Past District Governors to follow 'Dhulikhel Declaration' not to attend the District Governor's Advisory Committee meetings. This strategic move has provided club leaders with greater autonomy and leadership opportunities, fostering growth within our district.

## Environment-Friendly Initiatives

This Lions Year, we have taken a step toward environment friendliness by promoting a **paperless strategy** to reduce environmental hazards. As part of this initiative, all Cabinet Meeting Reports were circulated via **QR codes, WhatsApp, Messenger, and the district's website** instead of printed copies with exception of this annual convention for legitimacy reason.

Similarly, during **Zone and Club Meetings**, we encouraged clubs to submit their reports and schedules digitally using **QR codes**. While there were a few initial concerns, majority of members embraced this initiative, recognizing its practicality and effectiveness.

This initiative marks an important milestone for our district, promoting **eco-friendly practices** and leveraging technology for efficiency. It is just the beginning, but its success this year sets a strong foundation for a more sustainable and digitally advanced future.

## Service, Events, and Training Initiatives

Beyond our structured programs, various service projects, events, and training sessions have been conducted throughout the year. Training and orientation programs were prioritized to strengthen leadership and operational efficiency within the district. More details on these activities can be found on our **website, meeting bulletins, and secretary reports**.

# Lions International

District 325 D, MD 325, Nepal

LY 2024-2025

The milestone set year is a testament to our commitment to transparency, accountability, and impactful service to society.

As we move forward, we encourage every Lions and Leos to continue our efforts with the same passion and dedication, upholding the values of Lionism and striving to make a lasting difference in the lives of those in need.

I extend my heartfelt gratitude to the **District Governor, Vice Governors, Past District Governors, senior Lions Leaders, Club Officers, and all fellow Lions & Leos** for their selfless support and dedication. Your contributions have been invaluable in the success of our district's initiatives.

Let us carry this momentum forward with enthusiasm and commitment, embracing the true spirit of "**Believe in Yourself**" and honoring our Lions International motto – "**We Serve.**"

Thank you!
