Headquarters of the Lions Clubs International is located on a sprawling campus of nine and a half acres in a building owned by the Association in Oak Brook, Illinois, USA. The building and the vast areas appropriately affords generous space for future expansion of operations for the world's largest and latest growing service organization.

The interior is a bustle of activity, forming the core of the global Lions movement. A Lions visitor arriving at the reception center on the ground floor first registers himself, and then a guide speaking any one of the official languages of lions takes him around the building.

The International Office is the main source of information on the world of Lionism. A call or letter to the international Office will afford you the needed help. Always be specific. Do not include items relating to more than one department in the same letter.

HISTORY OF LIONS CLUBS INTERNATIONAL

Begining in 1917: Chicago business leader Melvin Jones asked a simple and world-changing question – what if people put their talents to work improving their communities? Almost 100 years later, Lions Clubs International is the world's largest service club organization, with more than 1.4 million members in more than 46,000 clubs and countless stories of Lions acting on the same simple idea: let's improve our communities.

Going International 1920: Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

Eradicating Blindness 1925: Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "knights of the blind in the crusade against darkness." Since then, we have worked tirelessly to aid the blind and visually impaired.

Uniting Nations 1945: Uniting Nations The ideal of an international organization is exemplified by our enduring relationship with the United Nations. We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter and have supported the work of the UN ever since.

Organizing Youth Programs 1957: In the late 1950s, we created the Leo Program to provide the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

Establishing Our Foundation 1968: Lions Clubs International Foundation assists Lions with global and large-scale local humanitarian projects. Through our Foundation, Lions meet the needs of their local and global communities.

Launching SightFirst 1990: Through SightFirst, Lions are restoring sight and preventing blindness on a global scale. Launched in 1990, Lions have raised more than $346 million for this initiative. SightFirst targets the major causes of blindness: cataract, trachoma, river blindness, childhood blindness, diabetic retinopathy and glaucoma.

HELEN KELLER'S SPEECH

1925 International Convention
Cedar Point, Ohio USA June 30, 1925

Dear Lions and Ladies:
I suppose you have heard the legend that represents opportunity as a capricious lady, who knocks at every door but once, and if the door isn't opened quickly, she passes on, never to return. And that is as it should be. Lovely, desirable ladies won't wait. You have to go out and grab 'em.
I am your opportunity. I am knocking at your door. I want to be adopted. The legend doesn't say what you are to do when several beautiful opportunities present themselves at the same door. I guess you have to choose the one you love best. I hope you will adopt me. I am the youngest here, and what I offer you is full of splendid opportunities for service.

Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness?
I thank you.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise: to build up and not destroy.

MELVIN JONES

FOUNDER OF LIONISM

1879/1961

Melvin Jones was born on January 13, 1879 at Fort Thomas Arizona, the son of United States Army Captain who commanded a troop of scouts. Later his father was transferred and the family moved east. As a young man, Jones made his home in Chicago, Illinois, became associated with an Insurance firm and in 1913 formed his own agency.

He soon joined the Business Circle, a businessmen's luncheon group and was shortly elected secretary. This Group was of many at this time devoted solely to promoting the financial interest of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, however had other plan.

"What if these men," he asked "Who are successful because of their drive, intelligence and ambition were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's Club met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions International was born. It was stipulated that clubs were not social in nature nor were members permitted to promote their own business interests.

Jones eventually abandoned his Insurance agency to devote full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions Clubs earned the prestige necessary to attract civic-minded men.

Lionism's Founder was also recognized as a leader outside the Association. One of his greatest honour was in 1945 when he represented Lions International as consultant in San Francisco at the organization of the United Nations.

Melvin Jones, the man whose personal code, "You can't get very far until you start doing something for somebody else," became a guiding principle for public spirited men the world over, died on June 1, 1961, at 82 years of age.

A.P. SINGH
INTERNATIONAL PRESIDENT
2025–2026

Lead to Serve, Serve to Lead.

We are committed to leaving this world better than what we inherited. Together, our service makes it possible.
And, we can expand our service by growing our membership.

“BECOMING A
LION HELPED ME
BECOME A BETTER
HUMAN BEING.”

A world that shaped his own

A.P. Singh calls India home, and it's a home unlike any other. India is a cradle of human civilization, with a culture that goes back thousands of years. Yet, despite its great antiquity, modern India is younger and more prosperous than ever.

Having been born and brought up in Kolkata, A.P. imbibed the dream of Tagore:

Where the mind is without fear and the head is held high Where the world has not been broken up into fragments by narrow domestic walls

Where the clear stream of reason has not lost its way into the dreary desert sand of dead habit

Into that haven of freedom, my Father, let my country awake.

And this is a vision that A.P. embraces as a Lion.

He believes service and leadership go hand in hand

— each complement the other. Lions don't strive to become great leaders, they just try to serve as best as they can. It's only through service that they evolve as reat leaders.

This confluence of service and leadership leads us to the higher pedestal of servant leadership, which A.P. believes is the model for our association.

So, maybe it was destiny that brought him to Lions.

"Becoming a Lion helped me become a better human being," he says. "Being a Lion helped me further realize that I have a duty to others. And it gave me such a gratifying way to fulfill it."

A.P. has been influenced by his community's principles of sharing, and what Kahlil Gibran has to offer:

You give but little when you give of your possessions. It is when you give of yourself that you truly give.

Is not dread of thirst when your well is full, the thirst that is unquenchable? Therefore give now, that the season of giving may be yours and not your inheritors. You often say, 'I would give, but only to the deserving.'

The trees in your orchard say not so, nor the flocks in your pasture.

They give that they may live, for to withhold is to perish.

Surely he who is worthy to receive his days and his nights, is worthy of all else from you.

And he who has deserved to drink from the ocean of life deserves to fill his cup from your little stream.

India may have been where A.P.'s value system took roots, but Lions is where his life of service took flight. Indian at heart, global in spirit is what he is today, and he's ready to work in cross-cultural environments to inspire Lions to grow in the era of MISSION 1.5.

As a servant leader, A.P. is driven by the desire to be a listener to what Lions have to say, and then be the voice of the Lions of the world as he descends to be its first servant.

A GROWING VISION FOR LIONS

Like most Lions, A.P. was focused on his club and his community when he started his journey as a Lion. He then traveled to Lions forums and conventions around the world, spent quality time with Lions with whom he developed bonds of friendship, and has gradually prepared himself with a global perspective.

The world is so diverse, but it is unified as far as the need for building bridges for international understanding and serving communities is concerned.

A.P. is convinced that we need to grow in every district globally and that we can do it together.

A.P. says, "If you don't have the people, you don't have an organization."

A Lions club without service is meaningless, and a Lions district that does not grow is not being just to the association. We have to keep the legacy going, and the torch of service burning bright. We must grow to be able to serve more.

A.P. sees a growing membership — and the growing service it brings — as our most important goal, and he wants Lions to understand that chartering new clubs and inducting new members are essential for our future.

"The option is simple: we either grow as an association, or we perish gradually like a frail person whose body has begun to give way," he says. Lions International is the greatest gift to humanity, representing the silver lining to dark clouds of despair represented by challenges like natural disasters, diabetes, childhood cancer, vision impairment and environmental degradation.

A.P. believes every Lion has a part to play and a debt to repay.

After all, we are all here today because someone invited us to be a Lion. We would not have been a Lion if someone had not worked to charter our club; now it's our turn to build the next club in our district.

That's how our service grows. That's how our legacy grows. And that's why Lions around the world are making a commitment to growing our clubs and service through ***MISSION 1.5.***

For A.P., members are the core —they lead and serve.

They define us. They drive us. And they will guide us forward.

MISSION 1.5

Lead to Serve, Serve to Lead.

When we serve, we stand alongside our fellow Lions and Leos. We stand with the people of the world. And we stand for compassion, the force that

moves the hearts of all who serve.

Leos and Leo-Lions are not our future — they are our present. They are important stakeholders. Along with women, we must give them all the

space and freedom they need to function and grow in our organization.

We know that change is something we make, not something we wait for.

"DIVERSITY BRINGS FRESHNESS AND ENERGIZES THE ASSOCIATION."

We know that building anything of value takes collaboration, purposeful action, and leadership driven by passion and purpose — the kind of leadership that only Lions bring.

We must work ogether to grow our organization so we can grow our impact. We must set the example by leading the world in service. We will always be recognized for the great work Lions have done in the past, but we have to ensure a wonderful present that gives birth to a glorious future by growing the association.

Lions lead to serve, and serve to lead.

Leading the way, serving in greater numbers

We're serving to make the world a better place, and we're growing so we can make our impact greater, our communities stronger and our future more secure. That has been the philosophy of our organization, and that's what has contributed to making Lions International the premier service club organization in the world.

By supporting these global priorities, we're leading the way there.

GROW OUR CLUBS AND OUR SERVICE

We are a people's association — a volunteer service club organization. More members mean enhanced, continued and expanded service to meet the growing needs of the world.

Every country has its own currency; membership is the currency of Lions International. Service, fellowship, networking, branding, fundraising and even contributing to LCIF is done by Lions and their clubs. We need to constantly become stronger, and have a favorable ratio between those joining and exiting. Service without Lions is inconceivable.

Ongoing addition of members and clubs is required to add to our capacity to serve and to replenish the constant loss for reasons beyond our control. Growth is imperative for us as we expand our horizons.

Individual Lions, clubs and districts will be recognized throughout the year for their accomplishments in supporting MISSION 1.5 by adding members,

promoting retention and chartering new clubs. Growing the association is the unwritten responsibility of every Lion, and the constitutional obligation of every elected or appointed leader.

MISSION1.5

"MISSION 1.5 IS ABOUT MAKING EVERY CLUB STRONG, EVERY CLUB MORE VIBRANT, AND EVERY ACT OF SERVICE EVEN MORE IMPACTFUL."

MISSION 1.5 is the operating system of our association, and all our resources need to be focused to achieve its goals to increase our bandwidth to serve.

EMPOWER SERVICE TOGETHER

Lions support Lions Clubs International Foundation (LCIF), and LCIF supports our service. By working together, we're investing in the people we serve and the places we call home. Together, our association and foundation create lasting solutions to some of the greatest challenges that face our communities. You can be part of the solution by supporting LCIF.

LCIF is making strides in building partnerships with corporate entities, NGOs and government bodies since collaboration holds the key to serving prudently and effectively.

A.P. believes that donations to LCIF are actually investments for safety, security and the betterment of future generations.

INNOVATE YOUR SERVICE

To meet the challenges of the world, we have to first challenge ourselves. When we embrace innovation and continual improvement, we can increase our impact, our member satisfaction and our service delivery. Districts are encouraged to determine the U.N. sustainable development goals they will promote, and to encourage all clubs to plan projects for our three global weeks of service to support mental health, environment and relieving hunger.

Leadership training programs are being adjusted to ensure that every opportunity is utilized to drive home the importance of growing the association.

Continuous improvement may have no end, but now is the right time to begin.

WELCOME DIVERSITY, INCLUDE EVERYONE

We serve in nearly every country on earth — we need to include more people in our service, especially young people, women and people with different cultural backgrounds. Inclusivity creates an organization that serves and represents the world.

We need to make sure our culture and approach in every club and district is youth and women friendly.

Lions are encouraged to invite members from all ethnic backgrounds and genders. Our service reaches around the world, so we must reach out to everyone who has a heart to serve.

All service leads to success

Our success is defined by our service. Here are key steps that can help us achieve even greater success through our service.

EXPAND YOUR NETWORK

Our global reach puts the world at our fingertips. Tap into the collective knowledge, cultural perspectives and success of Lions by taking advantage of the opportunities to learn, grow, connect and serve.

Lions must expand their network to build knowledge and bridges around the world. A.P. also encourages the establishment of Lions Business Networks in as many districts as possible to attract young entrepreneurs. He encourages travel to other districts, states and countries to meet Lions as part of service tourism to learn the best practices elsewhere and to share your own perspectives.

LEAD BY EXAMPLE

Lions follow what they see their leaders do, not what they hear their leaders say. Leadership is not about how many followers one has, but about how many leaders one creates.

Every organization needs to evolve with time. We need to encourage change because what was relevant earlier may have lost relevance today. Be the example that brings out the best in others, and yourself. This may involve learning, and even unlearning at times.

KEEP PACE WITH TECHNOLOGY

Technology is interwoven with how we live, and it creates new opportunities to improve how we serve. We may be surprised by the viewpoints of young adults, but they are, in fact, a different generation, one that has never lived without digital connectivity, and we may often be required to adapt to what they say.

Any organization will be only as effective as its technology and its ability to keep pace with the changing world. Lions have come a long way and are known to be able to adapt and grow. It is also time for us to integrate the power of Artificial Intelligence (AI) in our clubs and districts to be able to reach out and grow more.

When we embrace technology — and keep pace with it — we can benefit at every level and better connect with younger volunteers. So use the tools that can help us evolve and thrive. So the mantra is: We need every Lion to LEAD, SERVE, GROW.

We Serve

Lead to Serve, Serve to Lead.

MJF/ SINGLE DONOR APPLICATIONS

The Melvin Jones Fellowship Program

Lions Clubs International FOUNDATION

The Melvin Jones Fellowship (MJF) Program is a generous way to show commitment to the humanitarian work of Lions Clubs International Foundation (LCIF).

The MJF Program was established in 1973 in honor of Melvin Jones, the founder of Lions Clubs International. The MJF program recognizes donations of US$1,000 to LCIF.

New MJFs receive a pin, commemorative plaque and a letter from the LCIF Chairperson. If the donor so chooses, they may use their donation credit to recognize another individual with a MJF.

The Progressive Melvin Jones Fellowship Program

The Progressive Melvin Jones Fellowship (PMJF) provides an opportunity to advance in the Fellowship program. For each additional donation of US$1,000 to the MJF beyond the initial contribution, donors will receive a unique PMJF pin. This applies for donations up to US$50,000, and the pin will correspond to their level of giving. Additional levels of recognitions are available on lionsclubs.org. Like MJFs, donors can recognize another individual with PMJF donations.

Areas of Giving

LCIF can globally help improve health and well-being, strengthen communities and support those in need through humanitarian services and grants. Donors will receive MJF and PMJF credit when directing their support to:

Empowering Service Fund: All the causes the foundation supports.

Disaster Relief: Specifically reserved for disaster relief.

Did you know...

Districts, clubs and individuals can donate to LCIF through the MJF program, but only an individual can receive the recognition. MJF applications using collective donations from multiple donors must be accompanied by written consent from all donors to use their donations for MJF recognition for the individual specified on the application.

Melvin Jones Fellowships can be named in honor or in memory of an individual.

Melvin Jones Fellowships do not need to be paid in full at one time. Payments can be made in installments to reach the next qualified Fellowship level.

Complete the MJF application on the next pages or visit lionsclubs.org/MelvinJonesFellowship and submit with payment.

THE INTERNATIONAL VISITOR

A Hosting & Protocol Guide

Every year, present and past officers and international directors travel to districts and multiple districts around the world to deliver informational and motivational speeches, discuss matters of interest with local leaders, and meet as many Lions as possible. This guide was developed to assist you in making their visit to your area as pleasant and worry-free as possible. It contains hosting tips as well as the association's Official Protocol.

A Word About Protocol

The association's Official Protocol is designed to eliminate confusion regarding the proper recognition of Lion dignitaries. Whether for purposes of introduction or head table seating, it provides a simple and definitive answer to the question: "Who comes first?" You should not stray from it without good reason. One of those "reasons" might be a deepseated cultural tradition in your country that would, for example, find it unacceptable to give precedence to the most recent past holder of an office, rather than to the one with the most seniority. One needs to be flexible in such situations, but where they do not exist, it is much easier to simply follow the Official Protocol.

While there is no hard and fast rule, introductions usually commence with those lowest on the Order of Precedence and end with the highest-ranking Lion present. When non-Lion dignitaries are present, a combination of local custom and common sense should be used in deciding at what point they should be introduced. If the event is a multi-day convention or conference, try to avoid introducing all the dignitaries at every event. Once at a general session and once at a banquet is sufficient. Nor is it necessary to give a full introduction to your principal guest more than once; indeed, this can be both embarrassing to your guest and boring to your attendees.

Clubs, districts and multiple districts are required to extend the same rights and privileges as required under official protocol to resident officers as they would extend to officers visiting from other districts, multiple districts or constitutional areas, irrespective of local custom.

Flags, Anthems and Toasts

If your guest is from a country other than your own and flags are going to be displayed, the guest's should also be displayed in accordance with the flag protocol in your country. The Speakers kit sent when the speaking engagement is officially confirmed includes a small table flag and stand. It also includes a recording of the speaker's national anthem in the event anthems will be played.

At some events, toasts will be proposed. For example, in countries that are members of the British Commonwealth of Nations, it is customary to toast the Queen. To toast the association, it would be appropriate to use the following: "Ladies and gentlemen, please join me as I toast our beloved association. I give you The International Association of Lions Clubs."

Through your membership, you will help our club reach out to people in need in our community, and through out the world.

3) Lions Clubs International History
You are becoming part of a distinguished service history that dates back to 1917, when Lions Clubs International began as the dream of Chicago insurance man Melvin Jones. He believed that local business clubs should expand their horizons from purely professional concerns to the betterment of their communities and the world at large. Jones' own group, the Business Circle

of Chicago, agreed. After contacting similar groups around the country, an organizational meeting was held on June 7, 1917, at the LaSalle Hotel in Chicago, Illinois, USA. The new group took the name of one of the groups invited, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. Thirty-six delegates representing 22 clubs from nine states were in attendance. The convention began to define what the association was to become. A constitution, by-laws, objects and code of ethics were approved. Since that humble beginning, Lions club members have volunteered their time and talents to meet needs wherever they exist. Lions are especially dedicated to serving the blind and visually impaired, a commitment made after Helen Keller challenged our members to become her "knights of the blind in the crusade against darkness" during the 1925 convention in Cedar Point, Ohio, USA. Our motto, "We Serve" perfectly exemplifies the dedication to helping those in need felt by Lions worldwide. Your membership in the _____ Lions Club will help us carry on this tradition of service for many years to come.

4) Local Club History

Our own club was founded in _____ (year). For _____ years we have been tirelessly serving those in need in _____ (your town). With projects ranging from _____ to_____ the _____ Lions Club is committed to bringing the unparalleled services of Lions Clubs International to our community. You will find that membership in our Lions club will offer many opportunities for personal growth. ABOUT LEOS

WHY LEOS CLUBS ?

When the first Leos Club was organized in 1957, its purpose was clear. Give young people an opportunity through partnership with Lions to develop as responsible, service-minded individual.

Lions from the beginning hand sponsored service activities for young people because of their interest in youth, as represented by their pledge "To take an active interest in the civic, culture, social, and moral welfare of the community." Because it was such a neutral and logical activity for Lions, the first Leos club probably seemed like little out of the ordinary. But it did not take long for Lions Clubs of their communities and in other countries to grasp the special significance of Leos Club sponsorship. In recognition of their importance as a Lions Club service to youth, Leos clubs were formally adopted as an official program of the Lions Clubs International in 1967, the year of the association's Golden Anniversary.

Leos clubs are a service to youth in the truest sense. Sponsored only by Lions Clubs and governed by a standard constitution, they are open to young men, women of good character of all races and creeds. Modeled on their parent organization Leos clubs help young people grow as leaders and generous human being while providing invaluable service to the community. Leos club being a youth project of this globally recognized organization, provides each and every one of us, an international platform where we can build on positive character traits and make friends all around the world. The meetings conducted at Club/Region/District /Multiple level gives us an opportunity to observe, learn and then enhance such a high level organizational skill. Leos clubs also do fund raising programs and give it back to the society by organizing social programs which benefit the society. These objectives form the central theme of Leos clubs.

ABOUT LEOS CLUBS

In 1957, Glenside Lions Jim Graver and William Ernst of Pennsylvania USA persuaded 26 member of the Abington High School Baseball team and 9 other Abington High School student to form a service club. All together 35 Leo members of Abington High School formed The World First Leos club – The Abington High School Leos club in 1957, December 5. In 1964, the Leos club Program became an official district project and started to grow rapidly in Pennsylvania and other surrounding areas. Leo program was officially accepted by lions international only on October.

Leo Club
Organization Report

Submit this form to organize a new Leo club. Forms that are not filled out completely or correctly may be delayed and, in some cases, the Leo club may not be created. **All information must be completed. Please type and ensure this form is completed with all required signatures.** Note: Creating a new Leo club can take 4 to 6 weeks from the time the application has been received. Do not plan an installation ceremony date until the Leo club has been officially created and you have been notified.

- The Leo Club Program is for youth ages 12-30. A Leo club must be designated as either an Alpha club (12-18-year-olds) or an Omega club (18-30-year-olds) and may not include members of both age brackets.
- Youth who are under the legal age of majority must complete the Alpha Application for Leo Club Membership Form (Leo50-A) indicating parental/guardian consent of their participation in the Leo club. Young adults who are over the legal age of majority should complete the Omega Application for Leo Club Membership Form (Leo50-O). Completed forms should be kept on file by the sponsoring Lions club and NOT submitted with this report.
- The sponsoring Lions club must select a member of their club to serve as the Leo club advisor. Leo clubs based in schools may need to select a faculty advisor. In these cases, the Leo club advisor from the sponsoring Lions club should work closely with the faculty advisor to guide the Leo club.
- There is a one-time Leo Club Organization Fee of US$100 (or currency equivalent) to organize a Leo club. This covers the cost of the Certificate of Organization, a club officer kit, Lions club sponsor materials and lapel pins for each original member. Please do not include a check, money order, demand draft or wire transfer to remit payment for this fee. The sponsoring Lions club will be automatically billed and may pay via its regular payment method.
- All Leo clubs must be sponsored by a Lions club within the same district. Two or more Lions clubs may jointly sponsor a Leo club; however, one Lions club must be designated as liaison with Lions Clubs International.

**This name will serve as the official Leo club name. Please ensure it is spelled exactly as you would like it to appear on the Certificate of Organization. The Leo club name cannot contain special characters or the words Alpha, Omega, Leo, Leos, Lion or Lions.*
