Headquarters of the Lions Clubs International is located on a sprawling campus of nine and a half acres in a building owned by the Association in Oak Brook, Illinois, USA. The building and the vast areas appropriately affords generous space for future expansion of operations for the world's largest and latest growing service organization.

The interior is a bustle of activity, forming the core of the global Lions movement. A Lions visitor arriving at the reception center on the ground floor first registers himself, and then a guide speaking any one of the official languages of lions takes him around the building.

The International Office is the main source of information on the world of Lionism. A call or letter to the international Office will afford you the needed help. Always be specific. Do not include items relating to more than one department in the same letter.

HISTORY OF LIONS CLUBS INTERNATIONAL

Beginning in 1917: Chicago business leader Melvin Jones asked a simple and world-changing question – what if people put their talents to work improving their communities? Almost 100 years later, Lions Clubs International is the world's largest service club organization, with more than 1.4 million members in more than 46,000 clubs and countless stories of Lions acting on the same simple idea: let's improve our communities.

Going International 1920: Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

Eradicating Blindness 1925: Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "knights of the blind in the crusade against darkness." Since then, we have worked tirelessly to aid the blind and visually impaired.

Uniting Nations 1945: Uniting Nations The ideal of an international organization is exemplified by our enduring relationship with the United Nations. We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter and have supported the work of the UN ever since.

Organizing Youth Programs 1957: In the late 1950s, we created the Leo Program to provide the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

Establishing Our Foundation 1968: Lions Clubs International Foundation assists Lions with global and large-scale local humanitarian projects. Through our Foundation, Lions meet the needs of their local and global communities.

Launching SightFirst 1990: Through SightFirst, Lions are restoring sight and preventing blindness on a global scale. Launched in 1990, Lions have raised more than \$346 million for this initiative. SightFirst targets the major causes of blindness: cataract, trachoma, river blindness, childhood blindness, diabetic retinopathy and glaucoma.

P. C. JAIN

HELEN KELLER'S SPEECH

1925 International Convention
Cedar Point, Ohio USA June 30, 1925

Dear Lions and Ladies:

I suppose you have heard the legend that represents opportunity as a capricious lady, who knocks at every door but once, and if the door isn't opened quickly, she passes on, never to return. And that is as it should be. Lovely, desirable ladies won't wait. You have to go out and grab 'em. I am your opportunity. I am knocking at your door. I want to be adopted. The legend doesn't say what you are to do when several beautiful opportunities present themselves at the same door. I

guess you have to choose the one you love best. I hope you will adopt me. I am the youngest here, and what I offer you is full of splendid opportunities for service.

Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness?

I thank you.

THE MELVIN JONES FELLOWSHIP

The Melvin Jones Fellowship recognizes donations of US\$1,000. It is the backbone of LCIF, providing 75 percent of the foundation's revenue. A recognition of humanitarian work, an MJF is an honor presented to those who donate US\$1,000 to LCIF or to people for whom a donation was made by others. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

Melvin Jones Fellows who make additional US\$1,000 donations to LCIF, or in whose name US\$1,000 donations are made, become part of the Melvin Jones Fellowship Progressive program.

To apply for a fellowship, complete the MJF Application Form.

Contributions can be made by individuals (including non-Lions), clubs or districts. Contributions can be made in one sum, or in installments of a minimum of US\$100 over a five-year period.

It is possible to make a donation and choose the MJF recipient later. Write "Melvin Jones Fellow to be named later" on the check or bank draft.

When an individual's or group of individuals' personal donation(s) are accumulated for a club's or district's use to select a Melvin Jones Fellowship recipient, LCIF needs the signed consent. Please include such documentation with the completed MJF application that is sent to LCIF Donor Services.

For Melvin Jones Fellowship contributions or inquiries, contact LCIF Donor Services Department at 630-571-5466, ext.6897 or e-mail us.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise: to build up and not destroy.

MELVIN JONES

FOUNDER OF LIONISM

1879/1961

Melvin Jones was born on January 13, 1879 at Fort Thomas Arizona, the son of United States Army Captain who commanded a troop of scouts. Later his father was transferred and the family moved east. As a young man, Jones made his home in Chicago, Illinois, became associated with an Insurance firm and in 1913 formed his own agency.

He soon joined the Business Circle, a businessmen's luncheon group and was shortly elected secretary. This Group was of many at this time devoted solely to promoting the financial interest of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, however had other plan.

"What if these men," he asked "Who are successful because of their drive, intelligence and ambition were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's Club met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions International was born. It was stipulated that clubs were not social in nature nor were members permitted to promote their own business interests.

Jones eventually abandoned his Insurance agency to devote full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions Clubs earned the prestige necessary to attract civic-minded men.

Lionism's Founder was also recognized as a leader outside the Association. One of his greatest honour was in 1945 when he represented Lions International as consultant in San Francisco at the organization of the United Nations.

Melvin Jones, the man whose personal code, "You can't get very far until you start doing something for somebody else," became a guiding principle for public spirited men the world over, died on June 1, 1961, at 82 years of age.

PRESIDENTIAL THEME 2024-2025

MAKE YOUR MARK

Everywhere we serve,
every time we give, we bring
kindness and compassion,
change and hope.

And we make our mark on the
lives we touch, the communities
we serve and the world we share.

FABRÍCIO OLIVEIRA

INTERNATIONAL PRESIDENT
2024-2025

Breathing Life into Service

Ask Fabrício Oliveira about his native Brazil, and he'll tell you it's the lungs of the world. An evergreen canopy rimmed in turquoise shoreline. He's from a small municipality there, the son of fabric merchants with entrepreneurial vigor in their blood.

By age 18, Fabrício was already part of the family business. He would focus on his studies during the week and travel dutifully for work over the weekends. For such a young man, Fabrício was driven and focused on results.

"I've always done things early," he recalls with a smile.

At just 22 years old, the spirited entrepreneur became a happily married man. He and his wife Amariles had both grown up in the village of Catolê do Rocha, where, despite the region's tropical climate, Fabrício Oliveira was proving to be a man for all seasons.

He was already having professional success—he had a number of business deals under his belt and more on the table. He was experiencing civic success—he had received several appointments to public office. Yet, something was missing for Fabrício.

Until one evening in 1985.

At the time, Fabrício and Amariles were part of a group of friends who would gather on weekends for different social events. Some of these friends were already Lions members and before long, they asked the Oliveiras to join their local club.

"We couldn't say no," he admits. "These were our close friends. And I saw something special in Lions, and an opportunity to give back to the community that had been so good to me."

It was a gesture as simple as an invitation that brought Fabrício Oliveira and his wife to Lions, once and for all.

"So I became a Lion. And that's how everything started," Fabrício recollects.

The call had been answered. A commitment to service set in motion. Now, it was time for the man from Catolê do Rocha to take what he'd learned so far from life and apply it to a new kind of work. His work as a Lion.

“I SAW SOMETHING SPECIAL IN LIONS, AND
AN OPPORTUNITY TO GIVE BACK TO THE
COMMUNITY THAT HAD BEEN SO GOOD TO ME.”

The Art of Proactive Positivity

"We have natural beauty," Fabrício says of Brazil. "And it's extraordinary."

But years ago, when he was just becoming a Lion, there were areas within his hometown struggling to get clean, usable water. So Fabrício and his club took action.

His very first service project focused on the fundraising required to purchase the handmade, ceramic filters needed to deliver fresh water to these local areas in need. These devices brought more than fresh water to these communities—they brought health, well-being and happiness to children and families who desperately needed it.

"It was phenomenal!" Fabrício remembers.

"We saw the joy and the smiles they had when we brought the equipment. I really understood just how powerful service could be, and just how important we are as Lions."

From that moment, there was no turning back. Only forward momentum. It was as if the gift of service had found him and not the other way around.

As a Lion, Fabrício puts his life experience and business expertise into practice every day. And he finds that he gets as much as he gives.

"I REALLY UNDERSTOOD JUST
HOW POWERFUL SERVICE COULD
BE, AND JUST HOW IMPORTANT
WE ARE AS LIONS."

"I learned a lot. And I am still learning," he says.
"Lions is my second university."

But for the man from Catolé do Rocha, Lions
have become a second family too, a global family
with such incredible potential and rare positivity
that he cherishes, a family he is honored to lead by
proactive example.

"Lions have made a such big difference in so many
communities, and in so many lives—including my own."

That's why Fabrício wants to focus on inviting new
members and starting new clubs so even more people
can experience the same satisfaction and the same
sense of purpose that he has.

Fabrício Oliveira will always be a Lion. And he will
always think like an entrepreneur. That's why he
believes that initiative comes to those who take it.
That we not only have the power to achieve great
things, but we also have the responsibility to achieve
great things.

And when we apply our talents and skills to
transforming our communities, we can leave a lasting
mark—our mark—on the world.

PRESIDENTIAL MESSAGE 2024-2025

Make Your Mark

There's a leader inside every Lion.

And leaders know that, through collective action and individual commitment, we can inspire and empower whole communities. Making them healthier and stronger than ever before. And making our mark in the process.

As leaders, we unite people through our clubs, and in our mission of service. We foster collaboration so we can do what others say can't be done. We embrace innovation so we can bring our bold service vision to life. We give caring people the chance to serve with us so they can lead with us as Lions. And with every new member we bring, we make our mark on the future of service.

Together, we reach out to the people who need us. We amplify voices that would otherwise go unheard. We change lives in ways that only Lions can. And with every life we touch, with every community we serve, we make a mark that will endure, and will never be forgotten.

Making Our Mark Together

Every day provides us with a chance to make our mark as Lions, so take action! Consider these global priorities and how we can all support them to help strengthen Lions and the communities we serve.

GROW TO GIVE MORE

As the need for service grows, we need to grow too. Let's invite new members and charter new clubs so we can meet our *MISSION 1.5* goal, bringing more Lions and more service to our communities as we work toward serving one billion people around the world.

BE STRONGER TOGETHER

Our global foundation works to support our service so we can bring lasting change to the world. So let's support LCIF to ensure that we're ready to serve together, whenever and wherever needed.

TAKE THE NEXT STEP

Let's embrace our leadership potential to grow our clubs and our service, and to grow as Lions and leaders. Look for new opportunities within your club and community to lead our service forward.

CAPTURE YOUR COMMUNITY'S IMAGINATION

Our work as Lions is extraordinary. Great marketing and public relations can help you tell your story and capture the attention—and imagination—of your community. So promote your service to inspire others to join us as Lions.

The Mark of Great Service

Lions lead by example. We always have and always will. These keys to success can help you unlock your true service potential and inspire the Lions around you to do the same.

STAY PROACTIVE

The needs in our communities are great, so don't wait to act. Seek out a need and take action. This is what allows us to be responsive to our communities – and what separates us from the rest.

BRING YOUR VISION TO LIFE

Where others see an obstacle, we see an opportunity. So build your service vision. Rally others around it. Then think boldly, act decisively and bring your service to life.

FOCUS ON POSITIVE OUTCOMES

When we focus on positive outcomes, we achieve the greatest results. Let's define the change we want to see in our communities so we can start building plans to make it a reality.

We Serve

MAKE YOUR MARK

SHAPE OUR FUTURE

The Melvin Jones Fellowship Program

The Melvin Jones Fellowship (MJF) Program is a generous way to show commitment to the humanitarian work of Lions Clubs International Foundation (LCIF).

The MJF Program was established in 1973 in honor of Melvin Jones, the founder of Lions Clubs International. The MJF program recognizes donations of US\$1,000 to LCIF.

New MJFs receive a pin, commemorative plaque and a letter from the LCIF Chairperson. If the donor so chooses, they may use their donation credit to recognize another individual with a MJF.

The Progressive Melvin Jones Fellowship Program

The Progressive Melvin Jones Fellowship (PMJF) provides an opportunity to advance in the Fellowship program. For each additional donation of US\$1,000 to the MJF beyond the initial contribution, donors will receive a unique PMJF pin. This applies for donations up to US\$50,000, and the pin will correspond to their level of giving. Additional levels of recognitions are available on lionsclubs.org. Like MJFs, donors can recognize another individual with PMJF donations.

Areas of Giving

LCIF can globally help improve health and well-being, strengthen communities and support those in need through humanitarian services and grants. Donors will receive MJF and PMJF credit when directing their support to:

Empowering Service Fund: All the causes the foundation supports.

Disaster Relief: Specifically reserved for disaster relief.

Did you know...

Districts, clubs and individuals can donate to LCIF through the MJF program, but only an individual can receive the recognition. MJF applications using collective donations from multiple donors must be accompanied by written consent from all donors to use their donations for MJF recognition for the individual specified on the application.

Melvin Jones Fellowships can be named in honor or in memory of an individual.

Melvin Jones Fellowships do not need to be paid in full at one time; minimum installments to LCIF of US\$100 can be paid over a five-year period to total US\$1,000, at which time the MJF Application can be submitted.

Complete the MJF application on the next pages or visit lionsclubs.org/MelvinJonesFellowship and submit with payment.

THE INTERNATIONAL VISITOR

A Hosting & Protocol Guide

Every year, present and past officers and international directors travel to districts and multiple districts around the world to deliver informational and motivational speeches, discuss matters of interest with local leaders, and meet as many Lions as possible. This guide was developed to assist you in making their visit to your area as pleasant and worry-free as possible. It contains hosting tips as well as the association's Official Protocol.

A Word About Protocol

The association's Official Protocol is designed to eliminate confusion regarding the proper recognition of Lion dignitaries. Whether for purposes of introduction or head table seating, it provides a simple and definitive answer to the question: "Who comes first?" You should not stray from it without good reason. One of those "reasons" might be a deep-seated cultural tradition in your country that would, for example, find it unacceptable to give precedence to the most recent past holder of an office, rather than to the one with the most seniority. One needs to be flexible in such situations, but where they do not exist, it is much easier to simply follow the Official Protocol.

While there is no hard and fast rule, introductions usually commence with those lowest on the Order of Precedence and end with the highest-ranking Lion present. When non-Lion dignitaries are present, a combination of local custom and common sense should be used in deciding at what point they should be introduced. If the event is a multi-day convention or conference, try to avoid introducing all the dignitaries at every event. Once at a general session and once at a banquet is sufficient. Nor is it necessary to give a full introduction to your principal guest more than once; indeed, this can be both embarrassing to your guest and boring to your attendees.

Clubs, districts and multiple districts are required to extend the same rights and privileges as required under official protocol to resident officers as they would extend to officers visiting from other districts, multiple districts or constitutional areas, irrespective of local custom.

Flags, Anthems and Toasts

If your guest is from a country other than your own and flags are going to be displayed, the guest's should also be displayed in accordance with the flag protocol in your country. The Speakers kit sent when the speaking engagement is officially confirmed includes a small table flag and stand. It also includes a recording of the speaker's national anthem in the event anthems will be played.

At some events, toasts will be proposed. For example, in countries that are members of the British Commonwealth of Nations, it is customary to toast the Queen. To toast the association, it would be appropriate to use the following: "Ladies and gentlemen, please join me as I toast our beloved association. I give you The International Association of Lions Clubs."

Circle of Chicago, agreed. After contacting similar groups around the country, an organizational meeting was held on June 7, 1917, at the LaSalle Hotel in Chicago, Illinois, USA. The new group took the name of one of the groups invited, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. Thirty-six delegates representing 22 clubs from nine states were in attendance. The convention began to define what the association was to become. A constitution, by-laws, objects and code of ethics were approved. Since that humble beginning, Lions club members have volunteered their time and talents to meet needs wherever they exist. Lions are especially dedicated to serving the blind and visually impaired, a commitment made after Helen Keller challenged our members to become her "knights of the blind in the crusade against darkness" during the 1925 convention in Cedar Point, Ohio, USA. Our motto, "We Serve" perfectly exemplifies the dedication to helping those in need felt by Lions worldwide. ABOUT LEOS

WHY LEOS CLUBS ?

When the first Leos Club was organized in 1957, its purpose was clear. Give young people an opportunity through partnership with Lions to develop as responsible, service-minded individual.

Lions from the beginning hand sponsored service activities for young people because of their interest in youth, as represented by their pledge "To take an active interest in the civic, culture, social, and moral welfare of the community." Because it was such a neutral and logical activity for Lions, the first Leos club probably seemed like little out of the ordinary. But it did not take long for Lions Clubs of their communities and in other countries to grasp the special significance of Leos Club sponsorship. In recognition of their importance as a Lions Club service to youth, Leos clubs were formally adopted as an official program of the Lions Clubs International in 1967, the year of the association's Golden Anniversary.

Leos clubs are a service to youth in the truest sense. Sponsored only by Lions Clubs and governed by a standard constitution, they are open to young men, women of good character of all races and creeds. Modeled on their parent organization Leos clubs help young people grow as leaders and generous human being while providing invaluable service to the community. Leos club being a youth project of this globally recognized organization, provides each and every one of us, an international platform where we can build on positive character traits and make friends all around the world. The meetings conducted at Club/Region/District /Multiple level gives us an opportunity to observe, learn and then enhance such a high level organizational skill. Leos clubs also do fund raising programs and give it back to the society by organizing social programs which benefit the society. These objectives form the central theme of Leos clubs.

ABOUT LEOS CLUBS

In 1957, Glenside Lions Jim Graver and William Ernst of Pennsylvania USA persuaded 26 member of the Abington High School Baseball team and 9 other Abington High School student to form a service club. All together 35 Leo members of Abington High School formed The World First Leos club – The Abington High School Leos club in 1957, December 5. In 1964, the Leos club Program became an official district project and started to grow rapidly in Pennsylvania and other surrounding areas. Leo program was officially accepted by lions international only on October.
